

Warrior Woman Weekend

Oct 22-24, 2021

Calling all Warrior Women! It is time to tap into your fierce self and join us for this powerful weekend.

These three days will show you how capable you truly are. Learn new skills with the renowned Peaceful Warrior Woman self-defense program, harness the power of your mind with sessions led by a top hypnotherapist, step outside of your comfort zone with archery, a ropes course, hikes, aromatherapy, daily fitness classes and much more!

All-inclusive (lodging, meals and training) in the great outdoors. Single session self-defense passes will be available.

Your weekend includes 10+ hours of educational sessions, five meals, lodging in cabins equipped with a TV/DVD player, coffee pot, microwave oven and toaster, access to all amenities including indoor and outdoor games, hiking trails, swimming holes and Tonto Creek, and, best of all, being in the beautiful pines! The area has much to offer including canoeing, kayaking & SUP, hiking, Tonto Natural Bridge, in-town activities like antiques, and more.
